## UPDATE

18/02/2021

### PLEASE NOTE THE FOLLOWING;

- The tests will be open from to be taken ONLINE daily from 8:00 a.m. to 6:00 p.m. on Classera – Online Exams.
- Students can take the test any time they wish within this timeframe. Test for the day will be ACTIVE from 8a.m to 6p.m.
- Each test will be for 1 hour maximum. The timer for each test will be shown once the student begins the test and it will count down till the last minute, *please submit before the time elapses.*
- **Periods 1 and 2 are canceled for the test week 6 to enable many students take the tests in the morning, so we begin lessons from PERIOD 3 according to each class's timetable.**
- **For week 7, tests will be available from 8:00 a.m. to 6:00 p.m. accordingly but full day lessons will be taken.**
- Attendance for the tests is very important, unless on emergency cases and in such cases, a detailed reason is needed.
- It is strongly recommended for every student to do his test by himself. Students may be required to open their camera during the test.
- No home works will be given during the test week.
- Teachers are always ready and available to attend any questions before the test day.
- Best wishes to all.
